This is a summary of the cover provided by the Home Away Holiday Home Insurance Policy. It contains references to the key features and benefits of the policy, as well as references to significant and unusual exclusions and limitations. It does not contain the full policy definitions, terms, exclusions and conditions. These can be found in the policy document, a copy of which is available from your insurance broker.

Aims of the policy

This policy is intended to provide you with protection against some of the risks you face. We aim to ensure that the critical risks you are exposed to are covered by this policy and that you receive adequate financial compensation following an insured event taking place.

Your commitment

You need to ensure that you are able to maintain the required premiums so that the cover can be continuous. You also need to ensure that the information you give us regarding your activities, circumstances and nature of risk is accurate and regularly reviewed so that, in the event of a claim, you still have adequate and valid insurance cover.

The policy is issued for a twelve month period unless you request otherwise. If your proposed policy is for a longer period we would advise you to review and update your cover on a regular basis to ensure it remains adequate.

Our obligations

We undertake to provide cover according to the terms of the policy schedule and the accompanying policy document. Please make careful note of the exclusions, conditions and limits of cover, so that you are clear about what you might expect in the event of a claim. Cover under this policy is subject to specific limits and deductibles. Please refer to your broker for full details.
